

AGENTICTRIVE — Legal & Client Documents Pack

Important note before you use these documents: These are practical draft templates prepared for a small, India-based digital agency starting out. They are **not legal advice**. Please have a qualified lawyer review them (especially the Master Service Agreement and NDA) before relying on them for real client engagements, and update them as your business grows, registers formally, or changes how it operates.

Wherever you see a placeholder like `[LEGAL BUSINESS NAME]`, replace it with your actual details. Placeholders used throughout:

`[LEGAL BUSINESS NAME]` — your registered/legal business name (proprietorship, LLP, or Pvt Ltd — whichever applies)

`[BRAND NAME]` — AGENTICTRIVE (the brand/trade name)

`[ADDRESS]` — registered/business address

`[EMAIL]` — primary contact email

`[SUPPORT EMAIL]` — support/grievance email (can be same as above)

`[PHONE]` — contact number

`[WEBSITE URL]` — e.g. agentictrive.in

`[GSTIN IF APPLICABLE]` — GST number, once registered

`[BUSINESS ENTITY TYPE]` — e.g. sole proprietorship / partnership / LLP / private limited company

`[DATE]` — effective date / signing date

Everything below is organized so you can copy each section independently — into your website (Docs 1–4) or send to clients as standalone files (Docs 5–9).

DOCUMENT 2: TERMS & CONDITIONS

Effective Date: [DATE]

These Terms & Conditions ("Terms") govern your access to and use of [WEBSITE URL] (the "Website") and any services offered by [LEGAL BUSINESS NAME], operating as [BRAND NAME] ("we", "us", "our"). By accessing the Website or engaging our services, you ("you", "client", "user") agree to be bound by these Terms.

1. About Us

[BRAND NAME] is a digital agency based in India, providing:

AI automation

Business systems and workflow automation

Website/web development and digital experiences

AI integrations and related technology services

2. Use of the Website

You agree to use the Website only for lawful purposes. You must not:

- Attempt to gain unauthorized access to the Website, our systems, or data
- Interfere with the Website's functioning (e.g., via malware, scraping, or overload attempts)
- Use content from the Website for unauthorized commercial purposes
- Submit false, misleading, or fraudulent information through our forms

3. Services

Descriptions of our services on the Website are for general informational purposes. The specific scope, deliverables, timelines, and pricing for any engagement will be defined in a separate **Proposal/Quotation**, **Statement of Work (SOW)**, and/or **Service Agreement** signed with the client. In case of conflict between the Website content and a signed agreement with a client, the signed agreement will prevail.

4. Quotations and Proposals

Quotations and proposals shared with prospective clients are valid only for the period stated in the document (typically 15–30 days) and are subject to change thereafter. A quotation does not constitute a binding contract until accepted in writing (including via email) and, where applicable, formalized through a signed Service Agreement/SOW.

5. Payments

Payment terms (advance/milestone/full payment) will be specified in the applicable Proposal, SOW, or Service Agreement.

Invoices are payable within the timeline stated on the invoice.

We reserve the right to pause or stop work on any project where payment is overdue, until dues are cleared. All fees are exclusive of applicable taxes (GST, if applicable) unless stated otherwise.

6. Intellectual Property

All content on the Website (text, graphics, logos, design, and code) is the property of [LEGAL BUSINESS NAME] unless otherwise stated, and may not be copied or reused without permission.

For client projects: ownership and licensing of deliverables (code, designs, automations, content, etc.) will be governed by the terms of the applicable Service Agreement/SOW. Typically, full ownership of final deliverables transfers to the client **only upon full and final payment**, unless otherwise agreed in writing.

We retain the right to showcase completed, non-confidential work in our portfolio, case studies, and marketing materials, unless the client requests otherwise in writing.

Any third-party tools, platforms, licenses, plugins, or software used in a project remain subject to their own respective licenses and terms, and are not owned by us or transferred to the client.

Clients are responsible for providing timely access, information, feedback, approvals, and materials (content, credentials, brand assets, etc.) needed for us to deliver the project. Delays caused by the client may affect project timelines, and we are not liable for such delays.

8. Third-Party Tools and Services

Our services may involve integrating or relying on third-party platforms (e.g., cloud hosting, APIs, automation platforms, AI model providers, payment gateways, WhatsApp Business API, etc.). We are not responsible for outages, pricing changes, policy changes, or discontinuation of such third-party services, though we will make reasonable efforts to notify clients and suggest alternatives where relevant.

9. Disclaimers

Our Website and general content are provided "as is," without warranties of any kind, express or implied. We do not guarantee specific business outcomes, revenue, traffic, rankings, or results from automation, AI, or web development services, as these depend on multiple factors outside our control.

AI-based tools/automations are provided based on the technology available at the time and may require ongoing maintenance, monitoring, and adjustment; we do not guarantee uninterrupted or error-free operation of AI systems, especially those relying on third-party AI models or APIs.

10. Limitation of Liability

To the maximum extent permitted under applicable law, [LEGAL BUSINESS NAME]'s total liability arising out of or related to the Website or any service shall not exceed the total fees paid by the client for the specific service giving rise to the claim in the preceding three (3) months. We shall not be liable for indirect, incidental, consequential, or special damages, including loss of profits, data, or business opportunities.

11. Indemnity

You agree to indemnify and hold [LEGAL BUSINESS NAME] harmless from any claims, damages, or expenses arising from your misuse of the Website, breach of these Terms, or violation of any law or third-party rights.

12. Termination

We reserve the right to suspend or restrict access to the Website for any user who violates these Terms. Termination of specific client engagements will be governed by the applicable Service Agreement/SOW.

13. Governing Law and Jurisdiction

These Terms are governed by the laws of India. Courts at [STATE/CITY FOR JURISDICTION] shall have exclusive jurisdiction over any disputes arising from these Terms.

14. Changes to These Terms

We may update these Terms periodically. Continued use of the Website after changes are posted constitutes acceptance of the revised Terms.

15. Contact

For questions about these Terms, contact: [\[EMAIL\]](#) | [\[PHONE\]](#) | [\[ADDRESS\]](#)

DOCUMENT 3: REFUND & CANCELLATION POLICY

Effective Date: **[DATE]**

This Refund & Cancellation Policy applies to services provided by [\[LEGAL BUSINESS NAME\]](#) ("[BRAND NAME]"). Because our services (AI automation, workflow automation, web development, AI integrations) are customized and involve time, planning, and often third-party costs from the outset, this policy sets out how cancellations and refunds are handled. Specific terms for a project will always be confirmed in the applicable Proposal/SOW/Service Agreement, which will prevail over this general policy in case of conflict.

1. Advance/Booking Payments

Projects typically begin after receipt of an agreed advance payment (as specified in the Proposal/SOW). This advance covers initial planning, discovery, and resource allocation, and is **generally non-refundable** once work has commenced, except as described below.

2. Cancellation by the Client

Before work begins: If a client cancels before any work (research, planning, design, development) has started, the advance paid may be refunded after deducting any costs already incurred (e.g., third-party tool/domain purchases made on the client's behalf, payment gateway charges).

After work has begun: If a client cancels after work has started, we will invoice for the value of work completed and time spent up to that point (on a pro-rata or milestone basis, as applicable), and refund any remaining balance of advance payment, if any.

Retainer/ongoing services: For monthly retainers (e.g., ongoing automation support/maintenance), cancellation requires written notice as specified in the Service Agreement (typically 15–30 days). Fees already paid for the current billing cycle are non-refundable, but no further billing will occur after the notice period ends.

3. Cancellation by [BRAND NAME]

If we are unable to continue or deliver a project due to reasons within our control, we will refund the unused/undelivered portion of any advance payment. We will always communicate such situations transparently and as early as possible.

4. Non-Refundable Items

The following are non-refundable once purchased or incurred on the client's behalf:

Domain name registrations, hosting fees, or third-party software/API subscriptions purchased for the client's project

Payment gateway/transaction charges

Work/hours already completed and delivered

Custom development, design, or automation work already built, even if the final project is later cancelled

5. Revisions vs. Refunds

Minor revisions within the agreed scope will be handled as part of the project, not as grounds for a refund.

Refund requests based on dissatisfaction with a deliverable will first be addressed through revisions/corrections as per the agreed scope, before any refund is considered.

6. AI Audit / Consultation Fees (if charged)

Where an AI audit, consultation, or discovery session is a paid service (rather than a free lead-generation offering), fees for such sessions are non-refundable once the session has been delivered, as it involves our time and expertise regardless of the outcome or subsequent decisions made by the client.

7. How to Request a Cancellation or Refund

To request a cancellation or refund, email us at [\[SUPPORT EMAIL\]](#) with your project/invoice details. We will review the request against the applicable Proposal/SOW/Service Agreement and respond within [\[NUMBER\]](#) business days.

8. Governing Law

This Policy is governed by the laws of India. Any disputes will be subject to the exclusive jurisdiction of courts at [\[STATE/CITY FOR JURISDICTION\]](#).

(each a "Party," together the "Parties")

1. Purpose

The Service Provider agrees to provide the Client with services related to AI automation, workflow automation, web development, AI integrations, and related digital services, as further described in one or more **Statements of Work ("SOW")** to be signed by both Parties from time to time, each of which will be governed by the terms of this Agreement.

2. Scope of Services

The specific scope, deliverables, timeline, and fees for each engagement will be set out in an SOW. In the event of any conflict between this Agreement and an SOW, the SOW will govern for that specific project, and this Agreement will govern all general terms not addressed in the SOW.

3. Fees and Payment

Fees for each project will be as stated in the applicable Proposal/SOW.

Invoices are payable within [NUMBER] days of the invoice date, unless otherwise agreed.

Late payments may attract a delay in delivery/support, and we reserve the right to pause work until overdue payments are cleared.

All fees are exclusive of applicable taxes (GST, etc.) unless stated otherwise.

Refunds and cancellations are governed by our Refund & Cancellation Policy, as referenced/attached.

4. Client Obligations

The Client agrees to:

Provide timely access to necessary information, systems, credentials, content, and feedback

Designate a point of contact for approvals and communication

Make payments as per the agreed schedule

Ensure it has the right to share any data, content, or materials provided to the Service Provider

5. Intellectual Property

Upon **full and final payment** for a given SOW, ownership of the final agreed deliverables (custom code, designs, automations built specifically for the Client) shall transfer to the Client, except for: Any pre-existing tools, frameworks, templates, libraries, or proprietary methods/processes of the Service Provider used to deliver the work ("Background IP"), which remain the property of the Service Provider and are licensed to the Client for use as part of the delivered solution. Third-party software, platforms, or licenses used in the project, which remain governed by their own respective terms. Until full payment is received, all work product remains the property of the Service Provider. The Service Provider may showcase completed, non-confidential work in its portfolio and marketing materials, unless the Client requests otherwise in writing.

6. Confidentiality

Each Party agrees to keep confidential any non-public business, technical, or financial information disclosed by the other Party in connection with this Agreement, and to use it only for the purposes of the engagement. This obligation survives termination of this Agreement. *(A separate standalone NDA — Document 8 — can be used for discussions prior to this Agreement, e.g., during the proposal stage.)*

7. Warranties

The Service Provider will perform services with reasonable skill and care, consistent with generally accepted industry standards. Except as expressly stated, services and deliverables are provided without other warranties, express or implied, including any warranty of fitness for a particular purpose, to the extent permitted by law.

8. Limitation of Liability

To the maximum extent permitted by applicable law, the Service Provider's total liability under this Agreement (whether in contract, tort, or otherwise) shall not exceed the total fees paid by the Client under the specific SOW giving rise to the claim, in the three (3) months preceding the claim. Neither Party shall be liable for indirect, incidental, or consequential damages, including loss of profit, revenue, or data.

9. Indemnity

Each Party agrees to indemnify the other against direct losses arising from its own breach of this Agreement, gross negligence, willful misconduct, or infringement of third-party intellectual property rights.

10. Term and Termination

This Agreement remains in effect until terminated by either Party with [NUMBER, e.g., 30] days' written notice.

Either Party may terminate immediately in case of a material breach not cured within [NUMBER, e.g., 15] days of written notice.

Termination of this Agreement does not automatically terminate an active SOW, unless specified in that SOW or mutually agreed.

Upon termination, the Client shall pay for all work completed up to the termination date.

11. Force Majeure

Neither Party shall be liable for delays or failure to perform due to causes beyond its reasonable control, including natural disasters, internet/infrastructure outages, government actions, or third-party platform/API failures.

12. Independent Contractor Relationship

The Service Provider is an independent contractor, not an employee, agent, or partner of the Client. Nothing in this Agreement creates a joint venture or partnership between the Parties.

13. Assignment

Neither Party may assign this Agreement without the prior written consent of the other Party, except in connection with a merger, acquisition, or sale of substantially all assets.

14. Governing Law and Dispute Resolution

This Agreement is governed by the laws of India. The Parties will first attempt to resolve any dispute amicably through good-faith discussion. If unresolved within [NUMBER, e.g., 30] days, the dispute shall be subject to the exclusive jurisdiction of the courts at [STATE/CITY FOR JURISDICTION]. *(Optional: Parties may instead choose arbitration under the Arbitration and Conciliation Act, 1996 — recommend legal advice if you want to include this.)*

15. Notices

All notices under this Agreement shall be sent in writing to the addresses/emails listed above, or such other address as either Party may notify in writing.

16. Entire Agreement

Payment Terms

Payment due within days of invoice date.

Notes

Important (until GST-registered): If is not yet GST-registered, do not charge or mention GST/CGST/SGST/IGST on invoices, and you may label the document simply as "Invoice" rather than "Tax Invoice." Add these fields only after obtaining GST registration and update this template with your actual GSTIN.

Final Notes

These templates cover the essentials for a small agency starting out. As AGENTICTRIVE grows (more clients, higher contract values, employees, or formal incorporation), consider revisiting these with a lawyer/CA — particularly around GST compliance, employment-related documents, and possibly stamp duty/registration requirements for the Service Agreement and NDA depending on your state and contract values.

Keep placeholders consistent across all documents once filled in (e.g., the same legal name, address, and jurisdiction everywhere).

The Privacy Policy and Terms & Conditions should be published as accessible pages on , ideally linked in the site footer and referenced at the point of form submission (e.g., "By submitting this form, you agree to our Privacy Policy").
